Have you ever felt like, you the only one in love in your relationship?

And as hard as it was for you to let go, you knew that was the best thing for you

Well, that time has come for me, I gotta move on

You say you wanna get married, but boy are you sure
Because there are a couple of issues I refuse to ignore
You say one thing, and you do another
And I'm realizing you don't want me on your shoulder
You think material things is what I need
But all I ever wanted was you
Just a little kiss, just a little hug
Now I'm realizing that that ain't your kind of love

Sometimes we want things
That may not be right for us
But when you're in love
You tend to look over the obvious
You're not changing and I know that you love me but
This thing ain't going the way I planned
Sometimes we want things
That may not be right for us
But when you're in love
You tend to look over the obvious
As bad as I want you to stay
We can't keep going on this way
Going this way

Don't think you're doing me no favors
Feeling the need to get on one knee
When you know you ain't right, baby
You wanna make sure I'm always around
And with the ring on my finger
That means I'm on right now (oh no)
I see it in your eyes you weren't (for sure)
And there's a good chance you doing some dirt
'Cause I don't wanna be the one
To make you do something you don't want to
I'ma let you do you

Sometimes we want things

That may not be right for us
But when you're in love
You tend to look over the obvious
You're not changing and I know that you love me but
This thing ain't going the way I planned
Sometimes we want things
That may not be right for us
But when you're in love
You tend to look over the obvious
As bad as I want you to stay
We can't keep going on this way
Going this way

Oh no, no, no... oh, no...
Oh no, no, no... oh, no...
Oh no, no, no... oh, no...
Oh no, no, no...

See there's a part of me
That doesn't want you here with me
That's a part of me
That wants to stick right with you
But it seems like you don't wanna put up a fight
And why should I even try
'Cause sometimes...

Sometimes we want things
That may not be right for us
But when you're in love - But when you're in love, love
You tend to look over the obvious
You're not changing and I know that you love me but -
You're not changing, no
This thing ain't going the way I planned - Going the way
I planned
Sometimes we want things - Noooo...
That may not be right for us
But when you're in love
You tend to look over the obvious - And everytime
As bad as I want you to stay - I think that you're, you
don't
We can't keep going on this way - And I can't do this no
more
Going this way - No

You keep takin' me
Through so much...
