"Over"

[Verse 1:]

What if I still knew you were still keeping whatshername
around.

(And you couldn't say nothing)

What if you was spending up my money and taking her
out on the town

(And you couldn't say nothing)

What if I knew all the nights you wasnt out with you
friends

(And you couldn't say nothing)

What if I was done with you and you didn't know until
the end.

Don't even try because it would be over.

[Chorus:]

If thats the way you were treating me

It would be over.

There would be need to beg baby please

Cause you,

Would know to leave you would know to pack your bags

Don't forget your keys

I'm telling you it would be over

No get back no sorry can't fix that

It's Over

[Verse 2:]

What if I washing washing and found some movie
tickets in your jeans

(You would try to make up something)

What if you forgot to throw away your gift receipt from
Tiffanys

(You would try to make up something)

What if she has been calling me and telling me for
months she's been with you

(You would try to make up something)

What if I had pictures and dvds of everything you do

It would be no use because it would be over.

[Chorus:]

If thats the way you were treating me

It would be over.
There would be need to beg baby please
Cause you,
Would know to leave you would know to pack your bags
Don't forget your keys
I'm telling you it would be over
No get back no sorry can't fix that
It's Over

[Bridge:]

Now if you were the kind of man to risk all this love we
had
You would be crazy
I know we get tempted but it don't make a difference
Cause we should be worth alot more
I put up with alot I'm going to give it all I got
Hard times only make us closer
To play the fool I'm not
We gone to far to stop
Cause I promise that it would be over

[Chorus:]

If thats the way you were treating me
Telling You It would be over.
There would be need to beg baby please
Cause you,
Would know to leave you would know to pack your bags
Don't forget your keys
I'm telling you it would be over
No get back no sorry can't fix that
Just Over
