There ain't never been an "I" in team (no)
We win together, lose together, he loves me (yah)
Such an amazing feeling (yes)
From this real love he's giving (ok)
He's got me so caught up
With the way he's loving me
And that's how it's supposed to be (yeh)
Ooh his love is so crazy, all my ladies... (yeh)

All my ladies hear me out
If you man's here point them out - oh yeah
Got a good man, make it official - make it official
All my ladies say he's so special - yeh, yeh, yeh, yeah
All my ladies hear me out
If you man's here point them out - point them out
Got a good man, make it official
All my ladies say he's so special

My baby let's me run with the boys (for sure)
Let's me hold the keys to his toys (yep)
Whatever he gets I get (yeh)
I know every one of his secrets (yeh)
Every weekend, shopping sprees (yeh)
Tryin' on new clothes, he waits for me
The kind of guy every woman needs
Ooh his love is so crazy

All my ladies hear me out - all my ladies
If you man's here point them out - point them out
Got a good man, make it official - if you got a good
man
All my ladies say he's so special
All my ladies hear me out
If you man's here point them out - point them out
Got a good man, make it official - ooh yeah
All my ladies say he's so special - so special

All my ladies hear me out - hear me out
If you man's here point them out - if here's with you
tonight
Got a good man, make it official - yeah, yeah
All my ladies say he's so special - I'm talkin' to you

ladies
All my ladies hear me out - oh yeah-eah
If you man's here point them out - point them out
Got a good man, make it official
All my ladies say he's so special

All my ladies say...
(If you got that Mr. Right)
(If you got a good man in your life)
(Let me hear you say yeah)
Yeah-eah
(Say yeah) Yeah-eah-hey
(If you got that Mr. Right) Oh hoh
(If you got a good man in your life) Ooh...
(Let me hear you say yeah)
Say yes
(Say yeah)
Say yeah, ooh ooh...

All my ladies hear me out - all my ladies
If you man's here point them out - point them out
Got a good man, make it official - if you got a good
man
All my ladies say he's so special
All my ladies hear me out - he-ey
If you man's here point them out - point them out
Got a good man, make it official - hey
All my ladies say he's so special - if you got a good
man
