Letoya --aiight

Listen, whenever you're so close it brings back those
memories the way it shoulda been simplest time in my
life but you weren't meant for me tears come rapidly
Land although you tell me you love I can't imagine you
as part of my day the way my life keeps on changing
you need attention I can't do it ur way I gotta go

[Chorus]
If I take away love
If I take away love
If I get up leave
would that be enough

We said we'd let it go take some time to get over us but
that jus aint enough no
Still wanna come around hoping I can make some time
Messing with my mind
You want this love I cant give ya
No between the sheets boy
I made this Bed
Try as you may I ain't trippin

Sex is over I'd rather sleep instead boy I gotta go

[Chorus]

Nar it ain't enough listen
U got me Up all night up all day
Tryna figure out what I gotta to say
I can tell you this the hard or the easy way
Tryna tell you that I don't really want babe
I don't need the stress or need the drama
U cud Save the bullshit for ur mum
I now it hard to deal but listen it's the truth
What you rather dis or me straight lying to you
See now we gotta work on ur acceptance dear
Listen you shud just accept dis here
I move on
Took away love I took away you now I took away us yo

[Chorus]
