I pulled, I pulled, I pulled, I pulled, I pulled up in my SL 6
My drop top down on my H-Town chick
Rims shine dem thangs so clean
Don't hate 'cuz my wrist on freeze

I got 'em all in my mix
Is lookin' at me 'like damn who is dis?'
I got my gurls wit me
We lookin' pretty in V.I.P.

I tear the club up, shake the club up
Get the club up, it's a clubber
So just stand up and show yo gurl love
All my ladies throw yo hands up

Everybody in the club, just dance for me
Everybody to the floor, just dance for me
Everybody to the bar, shawty drinks on me
Shawty dance for me

Ooh, ooh, ooh, ooh, ooh, we got the club crackin'
I got my song comin' on and it's da weekend
Yeah, gonna do it real big
Party's packed to the max can't nobody get in

Hey, so right tonight
You can call Jazze Pha, it's goin' down tonight
I got my gurls wit me
And you know we gonna keep it sexy

I tear the club up, shake the club up

Get the club up, it's a clubber
So just stand up and show yo gurl love
All my ladies throw yo hands up

Everybody in the club, just dance for me
Everybody to the floor, just dance for me
Everybody to the bar, shawty drinks on me
Shawty dance for me

We in the, we in the

We in the club and we got it off the chain
I got ballers and all the list of V.I.P. with me, man
And we making it rain, throwing up that cheddar
Popping bottles with boppers that look like bottles
that're even better

I don't rock the coogi sweater, just dickies and a white
tee
And every playa with me looking G'd up like me
It's H-Town's finest with P-H trilling
Now gon' put ya deuces in the air if ya feel me, come
on

(Tear the club up)
I tear the club up, shake the club up
Get the club up, it's a clubber
So just stand up and show yo gurl love

Everybody to the floor, just dance for me
Everybody to the bar, shawty drinks on me
Shawty dance for me

I tear the club up, shake the club up
Get the club up, it's a clubber

All my ladies throw yo hands up
