[Jermaine Dupri]

I wrote a song wanna hear it, here it go
I wrote a song wanna hear it, here it go
I wrote a song wanna hear it, here it go
I wrote a song wanna hear it, here it go

[LeToya]

The perfect melody is in my head
I got a song that's meant for one thing (one thing)
I got the candles lit, I'm rocking my LaPearla fit
And pouring a glass of champagne (champagne)
See I've been planning
The right time for me to tell you, baby
But it's better if I show ya
Forget the radio 'cause I already wrote

[Chorus]

I wrote this song, this song - Yeah, yeah
Specifically to make love to you boy
All night long, night long
There'll be no hesitation on my part - I swear that I
wrote
I wrote this song, this song - Ooh ooh
Specifically to make love to you boy
All night long, night long - All night long
There'll be no hesitation on my part - Yeah, yeah
I wrote...

[LeToya]

This one's for me, would you mind if we run it back
I'll lay my head back, baby while you handle that
If you give me your best
Then I promise you baby, your next tonight
I don't need to hear Kells or Marvin (why not?)
'Cause my body was already calling
Forget about D'Angelo (how does it feel)
Boy I already wrote

[Chorus]

I wrote this song, this song
Specifically to make love to you boy
All night long, night long - All night, all night

There'll be no hesitation on my part - On my part, no
I wrote this song, this song
Specifically to make love to you boy
All night long, night long - All night, all night
There'll be no hesitation on my part - and there'll be no
hesitations
I wrote...

[LeToya]
(Oooh)
A Half an hour ain't nothing
I swear that I ain't through (through)
'Cause I'ma keep on lovin'
Keep on loving you (you)
'Cause you make me feel like a sho nuff woman
That's what you do (do)
And we don't need the quiet storm
Baby I wrote this song

[Chorus]
I wrote this song, this song
Specifically to make love to you boy - Specifically to
make love to ya
All night long, night long - All night long
There'll be no hesitation on my part - oh no
I wrote this song, this song - I said I wrote it
Specifically to make love to you boy - Hey, I said I wrote
it
All night long, night long
There'll be no hesitation on my part - There'll be no
hesitation, be no hesitation

[Chorus]
I wrote this song, this song - Hey, hey, hey
Specifically to make love to you boy - hey, hey
All night long, night long - Hey, hey, hey
There'll be no hesitation on my part - Hey, let me hear
you say
I wrote this song, this song - Hey, hey, hey
Specifically to make love to you boy - Hey, hey
All night long, night long - Hey, hey, hey
There'll be no hesitation on my part - Hey, hey
I wrote...
