[Intro:]

Girl: I'm gonna call him right now

Gee... I hope he's home

Man: Hello!

Girl: Baby? I'm home

I've got something to tell you

Man: What?

Girl: I love you!

Man: (Laughs) I love you, too

Did you get caught in the rain?

Girl: Oh yes, it was so beautiful

Let me tell you how it started...

JUST BLAZEEEEEE!

[1st Verse:]

Said me and you've been through so much together

And I want you to know that I'm with ya

'Cause no one can do for me like you do baby

And I'll never bail out on you baby

So you'll never have to question this lady

So whenever you need me, I'll be there in a hurry cause

[Chorus:]

You got what I need (walking in the rain with the one  
that I love)

And I want you close to me

No one makes me feel the way you do (walking in the  
rain with the one that I love)

That's why I'm with you

[2nd Verse:]

Some may say that I'm crazy for loving you

But they don't understand what I'll do (walking in the  
rain with the one that I love)

So they can say what they want

But it ain't gonna change how I feel

'Cause I'm not gonna ride for nobody else but you baby  
(walking in the rain with the one that I love)

'Cause if you leave me I'll go crazy

'Cause I gotcha (until the end)

I gotcha (no matter what it is) (walking in the rain with  
the one that I love)  
I gotcha (when it's crunch time baby)  
Said I got you baby

'Cause I gotcha (when you need me)  
I gotcha (baby just call on me) (walking in the rain with  
the one that I love)  
I gotcha (ooooh ohhhhhh)  
Whenever you need someone  
'Cause...

[Chorus]

Walking in the rain with the one that I love  
Feels so fine  
Walking in the rain with the one that I love  
On my mind

[Bridge:]  
Said I like the loving you give  
Type of love that I can't forget  
Oh give it to me  
I don't want no one but you  
All I need in my life is you  
Oh bring it to me (repeat)

[Chorus x2]
