[Intro:]

Yeah

Yeah

Uh huh

[repeat]

[1st Verse (ad-libs in parenth.):]

I got you open baby

I know you like what you see

You looking at my body

Tryna sneak up on me

I peeped you staring from the (ooh yeah) time I walked

Through the door

I know you want me but I came to just

Hit the floor

[B-Section:]

All the boys in the club rock with me

All the girls body rock if you feel me

Cause tonight is the night for me to shine

And do it right

[repeat]

[Chorus:]

Cause I'm feeling like all eyes

On me

And I know that you

Want a piece of me

I'm feeling like all eyes

On me

The way my body moves

Is making you crazy

[2nd Verse:]

Oh

I got you feening for me

And you want me baby

I got you in the mood

It's getting hard to shake it

You're telling me you've never met a girl like this

before

I got you wanting more
And you can't ignore

[B-Section]

[Chorus (ad-libs):]

All eyes

Mmmm

Know that you

Piece of me

Ohhh

On me

My body moves

[B-Section]

[Chorus to end]
