What are you doing? How did we get here?  
What is this feeling tell me it's mine  
Where did you take me? I want to stay here  
What I been missing all of this time

And as I whisper in your ear  
Somethin is changing and I'm unclear  
Touchin' and kissin', my body feels different  
I've lost my senses

When you find the right spot take control  
And you lock on me and you won't let go  
I wasn't ready for all that you had in store  
Baby, I want more and more and more  
I don't know

What have you got in you, makes me emotional  
What is it you do to bring me in tears  
'Cause I'm cryin', you got me in tears  
Boy, you make feel so warm

I can't describe this mood, I feel so vulnerable  
What is it that you do to bring me to tears  
Got me cryin', you got me in tears  
You got me in tears

You got me so hot I'm on a rush here  
Please baby take me, I wanna go  
What's happening now my visions unclear  
Far from physical you touch my soul

Don't bring me down just leave me here  
No other feeling can't compare  
Touchin' and kissin', my body feels different  
I lost my senses

When you find the right spot take control  
And you lock on me and you won't let go  
I wasn't ready for all that you had in store  
Baby, I want more and more and more  
I don't know

What have you got in you, makes me emotional  
What is it you do to bring me in tears  
'Cause I'm cryin', you got me in tears  
Boy, you make feel so warm

I can't describe this mood, I feel so vulnerable  
What is it that you do to bring me to tears  
Got me cryin', you got me in tears  
You got me in tears

Hold me baby, don't let go  
I'm speechless baby, I don't know  
What you doin' to me, but don't stop  
What you doin' to me, do it to me

Hold me baby, don't let go  
I'm speechless baby, I don't know  
What you doin' to me, but don't stop  
What you doin' to me, do it to me

When you find the right spot take control  
And you lock on me and you won't let go  
I wasn't ready for all that you had in store  
Baby, I want more and more and more  
I don't know

What have you got in you, makes me emotional  
What is it you do to bring me in tears  
'Cause I'm cryin', you got me in tears  
Boy, you make feel so warm

I can't describe this mood, I feel so vulnerable  
What is it that you do to bring me to tears  
Got me cryin', you got me in tears  
You got me in tears
