I gotta change the station that I have
'cause all I hear is you
It just keeps reminding me
Of all the things we used to do
And I know that I should turn
Off the radio
But it's the only place I hear your voice anymore

(It's ridiculous)
It's been months since I've spoken to you
(you ain't keep in touch)
Don't know why it came to this no
(but enough is enough)
No more walkin' round with my head down
I don't wanna be a fool
Crying over you

If your so sick of love songs
So tired of tears
You say you love me
Why ain't you here?
I'm so sick of your love songs
So sad and slow
But I just cant turn off the radio

Gotta fix that calendar I have
That's marked July 16th

Cause it seems like you forgot
That was our anniversary
When I heard your song it
Made it hard to erase your memory
Now when I hear your song I know it's there for me
I cant believe that you're

So sick of love songs
So tired of tears
You said you loved me
Why ain't you here?
I'm so sick of your love songs
So sad and slow
But I just cant turn off the radio

Ooh
(now that I'm gone)
Now that I'm gone
(I wanna be left alone)
Ooh
And every time i see your smile
It's lookin' at our child
You should know
Ooh why cant you move on?
