I wrote a song wanna hear it here it go(x4)
The perfect melody is in my head,
I gotta a song that's meant for one thing,
I got the candles lit,
Im rockin my LaPearla fit
and pouring a glass of champagne.
So I've been planning
The right time for me to tell ya baby
But dat its better if i show ya.
Forget the radio cause i already wrote.

[Chorus]

I wrote this song, this song
specifically to make love to you boy.
All night long, night long
There'll be no hesitation on my part I wrote

This ones for me
Would you mind if we run it back.
I lay my head back baby,
while you handle that.
If you give me your best,
then i promise u baby you're next tonite.
I don't need to hear Kells or Marvin
cause my body was already callin,
Forget bout D'Angelo.

How does it feel baby, boy I already wrote

[Chorus]

I wrote this song, this song
specifically to make love to you boy.
All night long, night long
There'll be no hesitation on my part I wrote

Ohh. A half an hour ain't nothin,
I swear that i ain't through
cause I'ma keep on lovin,
keep on lovin you cause you make me feel
like a sho nuff woman.
That's what u do, n we don't need a quiet storm
Baby I wrote this song

[Chorus]

I wrote this song, this song
specifically to make love to you boy.
All night long, night long
There'll be no hesitation on my part I wrote

Hey,Hey,Hey,Hey,Hey,Hey...
