Verse 1

If I could find yesterday
I would take You back to where I'm coming from
Cause You can see the way
All these scars have kept me running
And chasing down the past
But I'm not done, I'm turning back

Pre-Chorus

I swear, You're the only reason I keep breathing
I swear, You keep on giving me the reason to keep
believing

Chorus

Finally I'm worth it, though I'm not perfect
It still feels right, and I keep on giving
Trying to make a difference, in my life
But I know another way to show
Everything I can be for You
You're all that I'll ever need
I'll give you the Best of Me

Verse 2

If I could read tomorrow's mind
I would know exactly where You're taking me
If I'm going to slip away
Or if I stay and give You all my trust
You will keep me safe
I know You won't let me fade

Pre-Chorus

Chorus

Bridge

Oh, I know I believe it
No, I will be turning around
I want to know You now
Your Love won't let me down, no!

Pre-Chorus

Finally I'm worth it, though I'm not perfect

It still feels right, and I keep on giving
Trying to make a difference, in my life
But I know another way to show
Everything I can be for You
You're all that I'll ever need, Woah oh!

Chorus

Outro

I'll give You the Best of Me!
I swear, You're the only reason I keep breathing
I swear...
