### Verse 1

Since I was a child,  
I've been told how I should live my life  
It didn't take long to forget what I once learned  
I never believed that there was someone out there who  
loved me  
Until I found the One who loves me as I am

### Chorus

I can't live without You  
My heart will collapse into Your Hands  
I can't live without You  
You keep me alive  
No, I'll never walk away

### Verse 2

It's not easy for me to let someone in  
I've been hurt so many times  
This might take a while  
I still have scars from when I was broken  
But now I believe You are here for me  
And You'll never go away  
I'm holding on to the One who loves me as I am  
As I am

### Chorus

### Bridge

You pulled me out  
And have taken all of my pain away  
You make me feel like I am free to live my life again  
No I can't survive without You

### Chorus
