Verse 1

My past has followed me and
I just can't get away
I'm not the same as I was
Leaving my disarray

Take me just as I am
I'm broken down
Pull me into Your arms
I'm hanging on to every word

Chorus

Save me from losing myself
I'm hanging on by a thread
Can You see who I am
Underneath my scars?
I'm afraid to fall
So I'm holding on to You
Know I won't let go
I'm hanging on by a thread

Verse 2

I still can hardly believe
The person I once was
I'm trying so hard to change
Help me work through my flaws

Take me just as I am
I'm calling out
Pull me into Your arms
I'm hanging on to every breath

Chorus

Bridge

I'll never need
I'll never want
With You with me
I'm so complete
I'll never run
I'll never hide
With You right here I'm safe inside

Chorus

food you food faces youve been pranked
