Intro

I don't care about you
I don't care about you
Anymore

Verse 1

You hurt me, lied to me
You earned my trust but then you
Betrayed me, my family
You wanted all control
So you cut down everyone
Who ever stepped in your way
I'm moving on

Chorus

I don't care about you
I don't care about you
No I don't care about you anymore
I forgive you now I'm moving on
Moving on
Moving on

Verse 2

Consumed by selfishness
You wanted nothing less then
To see me leave because
I ruined all your plans
So you spread lies
Compromise me and my family's very lives
I'm done with you

Chorus

Bridge

You're left in the past
But I'm not looking back
Anymore

Outro

I don't care about you
I don't care about you anymore
I forgive you now I'm moving on

I don't care, I don't care about you. Moving you
I don't care, I don't care about you anymore
I forgive you now I'm moving on
I forgive you now I'm moving on!
I don't care, I don't care about you
I don't care, I don't care
