The Letter Black-Tonight
Another night Iâ'm all alone.
I wonder why itâ's always this way.
I shut myself inside my room.
And I cried non-stop through the night
And I wonder why
(Chorus)
Tonight
Maybe my last, if youâ're not here
I wonâ't make it through
Tonight
Please get here fast,
No one but you can save me this time tonight
V2) Another day has come and gone
Still no one asks if Iâ'm ok.
So I roll up my sleeves to expose my scars!
And I look around and still I see
No one cares!
And I wonder why
(chorus)
(bridge)
Iâ've had enough so I grab my gun
I say to myself, â"this time Iâ'll make sure I dieâ"
So I go to the mirror for one last look
But the man I used to see, is no longer there
And I start to cry and I put the gun to my head!
I hear someone come into the room.
And I look and see Jesus standing there.
With tears in my eyes I say â"tonight!â"
(chorus)
(end) Another night, Iâ'm all alone
