You know it's sick.
To think that you would know that I,
I could save you,
Cause I can't save,
We got to get it right.
Let's make sure this time that tonight,
I could save you,
Or I could break you.

Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.
Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.

This is about to show,
How much I love you,
If you'll let me show,
Cause I could save you,
Or I could break.
We got to get it right.
Let's make sure that you know tonight,
That I could save you,
Or I could break you.

Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.
Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.

Watch out!
Huh Huh Huh Huh Huh Huh!
Play that song.
Play it loud.

Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.
Don't believe in me, don't believe in me,

Cause I will let you down,
Cause I will let you.
Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.
Don't believe in me, don't believe in me,
Cause I will let you down,
Cause I will let you.
