Lights Out!

What is it that we could say,
That would change your outlook on being brave?
I never thought that you'd be like this,
You'd rather take a chance on a chance to miss.

A life that speaks of a never-ending truth,
And the words we say will remain in you.
As long as we can sing we'll sing for you.

Don't wait for tomorrow, raise your voice tonight!
This hate is burning so let's watch it die.
'Cause when it falls, our voice will ring so loud.
Don't wait for tomorrow, raise your voice tonight.

Lights Out!
Lights Out!

It's you that makes the choice to stay,
'Cause when it comes it's gonna come just like a,
And you'll be far from me to decide.

A life that speaks of a never-ending truth,
And the words we say will remain in you.
As long as we can sing we'll sing for you.

Don't wait for tomorrow, raise your voice tonight!
This hate is burning so let's watch it die.
And when it falls, our voice will ring so loud.
Don't wait for tomorrow, raise your voice tonight.

Don't wait for tomorrow, raise your voice tonight! (Hey!
Hey!)
This hate is burning so let's watch it die.
Cause when it falls, our voice will ring so loud. (Hey!
Hey!)
Don't wait for tomorrow just raise your voice tonight.

That's right! Oh baby! Ohhh!

Don't wait for tomorrow just raise your voice tonight!

(Hey! Hey!)

This hate is burning so let's watch it die.

Cause when it falls, our voice will ring so loud. (Hey!

Hey!)

Don't wait for tomorrow just raise your voice tonight.

LIGHTS OUT!

I hope you're ready for this... HUH!
