Today is the day  
When we decide  
If you will live or you will die.  
Tonight is the night  
That we have waited for  
All of our lives.  
At least I know I have.  
All, all of our lives.  
At least I know I have.

I know you know  
All of my secrets.

Like a rose,  
Which reached its peak of life  
Ongoing unappreciation.  
The outcome of your fate  
You never looked,  
You never looked,  
So beautiful.

Its time to say our peace.  
We must be on our way.  
A beautiful face  
With beautiful lines  
To go with the bag of  
Your design.

I know you know  
All of my secrets.

Like a rose,  
Which reached its peak of life,  
Ongoing unappreciation.  
The outcome of your fate  
You never looked,  
You never looked,  
So beautiful.

Raise up your glass  
One toast to last  
Your words are mine

This will be my  
One last toast to you

This will be my one last toast to you
