You and me
We used to be together
Every day together always

I really feel
That I'm losing my best friend
I can't believe
This could be the end

It looks as though you're letting go
And if it's real,
Well I don't want to know

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts
Don't speak
I know what you're thinking
I don't need your reasons
Don't tell me 'cause it hurts

Our memories
They can be inviting
But some are all together
Mighty frightening

As we die, both you and I
With my head in my hands
I sit and cry

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts no no no
Don't speak
I know what you're thinking
And I don't need your reasons
Don't tell me 'cause it hurts

It's all ending,

I gotta stop pretending who we are...

You and me
I can see us dying... are we?

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts no no
Don't speak
I know what you're thinking
And I don't need your reasons
Don't tell me 'cause it hurts
Don't tell me 'cause it hurts
I know what you're saying
So please stop explaining
Don't speak don't speak don't speak
No I know what you're thinking
And I don't need your reasons
I know you good I know you good
I know you real good oh

La la la la la la la la la
Don't don't ooh ooh
Hush me hush me darling
Hush me hush me darling
Hush me hush me don't tell me 'cause it hurts
Hush me hush me darling
Hush me hush me darling
Hush me hush me don't tell me 'cause it hurts
