Josie and the Pussycats
Long tails and ears for hats
Guitars and Marshall stacks
Hot, sweet, super-cool
Don't you know
These kitties rule?
Hurry, hurry

We've been going
Over the master plan
Driving in a custom-painted van
Practicing for hours
Don't you know that
Soon no matter
Where you go
We'll be on the radio?

Josie and the Pussycats
Hot lips, we'll give you that
Stone foxes
That's a fact
Josie and the Pussycats

Even though we're
Playing in our garage
Soon we'll have
A massive entourage
Going triple-platinum
You'll just watch us
Climbing up the
Billboard charts
Breaking records
Breaking hearts

Let's go

Josie and the Pussycats
Long tails and ears for hats
We know just where it's at
East, West, North, or South
Guaranteed to rock the house

Josie and the Pussycats
