There used to be a greying tower alone on the sea  
You, became the light on the dark side of me  
Love remains, a drug that's the high and not the pill  
But did you know that when it snows  
My eyes become larger  
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels yeah  
Now that your rose is in bloom  
A light hits the gloom on the gray

There is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain  
Baby, To me, you're like a growing  
Addiction that I can't deny  
Won't you tell me, is that healthy, baby?  
But did you know that when it snows  
My eyes become large  
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels yeah

Now that your rose is in bloom  
A light hits the gloom on the gray

I've been kissed by a rose on the gray  
I've been kissed by a rose on the gray  
And if I should fall, will it all go away?

There is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain  
Baby, To me, you're like a growing  
Addiction that I can't deny  
Won't you tell me, is that healthy, baby?  
But did you know that when it snows  
My eyes become larger  
And the light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels yeah  
Now that your rose is in bloom  
A light hits the gloom on the gray

Now that your rose is in bloom...  
A light hits the gloom  
On the gray...
