Oh I can't take another heartache
Though you say you're my friend
I'm at my wits end
You say your love is bonna fide
But that don't coincide
With the things that you're doing
When I ask you to be nice
You say you gotta be
Cruel to be kind, in the right measure
Cruel to be kind, it's a very good sign
Cruel to be kind, means that I love you
Baby, you gotta be cruel to be kind
Well I do my best to understand dear
But you still mystify, and I wanna know why
I pick myself up off the ground
And have you knock me back down
Again and again
And when I ask you to explain
You say you gotta be
Cruel to be kind, in the right measure
Cruel to be kind, it's a very good sign
Cruel to be kind, means that I love you
Baby, you gotta be cruel to be kind
Well I do my best to understand dear
But you still mystify, and I wanna know why
I pick myself up off the ground
And have you knock me back down
Again and again
And when I ask you to explain
You say you gotta be
Cruel to be kind, in the right measure
Cruel to be kind, it's a very good sign
Cruel to be kind, means that I love you
Baby, you gotta be cruel to be kind
