im a punk rock prom queen
brown paper magazine
hotter than youve ever seen
and everywhere and inbetween
im a ten ticket thrill ride
dont you wanna come inside?
a five star triple threat
hardest of the hard to get
noones little red corvette
you aint seen nothin like me yet

Chorus :
it took six whole hours
and five long days
for all your lies to come undone
and those three small words
were way too late
cuz you cant see that im the one

im a late night head rush
ace high royal flush
red velvet orange crush
you just dont impress me much
a glossy double cover spread
open up inside your head
a black cherry paradise
half the sugar twice the spice
i dont wanna treat you nice
come on baby roll the dice

Chorus :
it took six whole hours
and five long days
for all your lies to come undone
and those three small words
were way too late
cuz you cant see that im the one
