I've got nothing at all  
I've got nothing to hide

I've got nothing at all  
If I ain't get you  
'Cause I've got nothing to hide  
Baby you know I love you

I travel the world to make my way  
Find a place to stay  
I fight for all the things I believe  
That's all I need to be  
You are always by my side  
You are my guide  
I'll be stronger than yesterday  
I will be ok

We'll be together  
Love me forever  
Over and over and over this lifetime

Because I've got nothing at all  
If I ain't get you  
And I've got nothing to hide  
Baby you know I love you

.....

This is the time have no fears  
You wash away my tears  
The memory of your face still remain  
Love is stronger than pain  
As I prayed for the light  
To come into my life  
You are the lesson that I'll never forget  
I have no regrets

We'll be together  
Love me forever  
Over and over and over again

Because I've got nothing at all

If I ain't get you  
And I've got nothing to hide  
Baby you know I love you

.....

I've got nothing at all  
If I ain't get you  
'Cause I've got nothing to hide  
Baby you know I love you
