You called today  
Said you feel the same  
Girl I know your pain  
Cause when you call my name

Girl I miss the way  
You would scream my name  
And the touch of your skin  
Girl I'm in love again

(Chorus)

You make me feel alive  
My heart is open wide  
I'd rather live than die  
You make me feel alive

(Solo)

You called today  
Said you feel the same  
Girl I know your pain  
Cause when you call my name

(Chorus)

You make me feel alive  
My heart is open wide  
I'd rather live than die  
You make me feel alive
