My fists are closing tightly,
The moon is shining brightly,
I'm praying that I'm not the only one,
Gotta keep my sentimental,
Side so confidential,
And save it for when all is said and done

Now I'm leaving this conversation,
With an evident conformation,
That's usually lying right before my eyes,
Yeah, But not to mention,
I can almost feel the tension,
It's building in the air as it starts to rise

I am, I'll be,
But I can't control it
Cause it's living inside of me
I am, I'll be,
But I can't control it
It's living inside of me

Rumble feelin,
The earth starts to crumble,
A new world beings to tumble,
Above ya, beside ya, beneath ya,
Sometimes on a rare occasion,
Gotta face my situation,
It hits me when I'm staring at the sun

I am, I'll be,
But I can't control it
Cause it's living inside of me
I am, I'll be,
But I can't control it
It's living inside of me

I said the past keeps coming,
Back to haunt me but,
I can't keep running can't,
Retrace my steps and
Erase all the mistakes I made,
Keep my head held high

Laughing at the sky

I am, I'll be,
But I can't control it
Cause it's living inside of me
I am, I'll be,
But I can't control it
It's living inside of me

Well I can't control it
Well I can't control it
Well I can't control it
It's living inside of me

Well I can't control it
Well I can't control it
Well I can't control it
It's living inside of me
