If you want to cross the line you know where it is this time.

If you want to do this right, don't shut your eyes this time .

See what it is you did and decide.

You feel both sorry and glad.

You feel the same way regardless.

Despite you time passes the time limit.

So stand still.

Don't say one word.

Even so you managed to decide.

You feel both sorry and glad.

You feel the same way.

If you want to cross the line you know where it is this time.

If you want to cross the line, don't shut your eyes this time.

See what it is you did and decide.

You feel both sorry and glad.

You feel the same way.

Decide.

You feel both sorry and glad.

You feel the same way.
