Dream crazy
We change too fast
Take cover
Cos it can't last
(it's a) cold crime
A deadly sting
There's no time
To talk of deadly things

Well there's no lifetime guarantees
But I see you and you see me
Let's spend the night on love's deep sea
And let emotion set us free

I love the way you start to glow
I love the way your body flows

Stand easy
It's a party crash
So sleazy
Let's make a smash
Cool colors
Set the scene
Dive into
The neon love machine

You know my love's a guarantee
So dance a dance of love with me
Your body's moving like the sea
Now we're as close as we can be

(chorus)

I love the way you start to glow
I love the way your body flows
That's the way the party goes
And it's a way everyone knows

Well there's no lifetime guarantees
But when you you're making love to me
We'll ride the waves of ecstasy

And let emotion set us free

(chorus)

Dream crazy

Dream crazy
