Let me out to play  
Let me find a way - to be  
Let me feel the sun  
Life has just begun for me

Eyes waterfalling, a world full of tears  
Eyes waterfalling, but nobody hears

Laughter all around  
It's lonely looking down - from here  
Fuel my shallow pride  
And teach me how to hide my fear

Eyes waterfalling, a world full of tears  
Eyes waterfalling, but nobody hears

They've got control of my life  
I can't break away

They've shaped my destiny  
No use the boy in me  
I go to join my friend  
He'll bring me joy again

Eyes waterfalling, a world full of tears  
Eyes waterfalling, but nobody hears

I lost control in the night  
And drifted away

Eyes waterfalling, a world full of tears  
Eyes waterfalling, but nobody hears
