Fashion fever
Forever brand new
Always out of date
Fashion fever
It's all about you
Tomorrow is too late
And when the fever fakes the feel
You must be sure of your appeal

Fashion fever
Forever brand new
Always out of date
Fashion fever
It's all about you
You'll be too late if you hesitate
I see you live behind that smile
With cold blue baby eyes
You cut me up with razor style
Dancing in disguise (dancing in disguise)
You chance your face to suit your hair
Look into the mirror again
And I'll be there
Forever laughing
Watching as you play
Fashion fever
Forever dancing
There's no time to sway yeah
And when the fever starts to fade
You know you may have gone too far
And what is left is anyone's guess
No one knows who you are

Don't scratch me with your tiger mind
And freaky fantasies
You say you can't be satisfied
Well I'm sure you never will (sure you never will)
You look en vogue
To seek the scene
Try turning all the pages again
And I'll be there
Forever laughing

Watching as you play
Fashion fever
Forever dancing
There's no time to sway
Fashion fever
Forever brand new
Always out of date
Fashion fever
It's all about you
Tomorrow is too late, yeah

Dur danga dong
Dur danga dong
Zeeba doo wah!!!
