Time spent away, from you  
Spent away, from you

How can I turn back time  
And undo this to make things right  
To make things right  
To make things right

(Chorus)

So I walked away, from you, and I take this pain, for  
you  
So I walked away, from you, and I take this pain, for  
you

The choice is made, I have to go  
We had good times, I hope you know  
I hope you know  
I hope you know

(Chorus)

And I walked away, from you, and I take this pain, for  
you  
So I walked away, from you, and I take this pain, for  
you

Time spent away from you  
Time spent away from you  
Time spent away from you  
Time spent away from you

(Chorus)

So I walked away, from you, and I take this pain, for  
you  
So I walked away, from you, and I take this pain, for  
you  
So I walked away, from you, and I take this pain, for  
you

For you

For you  
For you
