And I want to be the one to  
And I want to take the blame  
And I want to take the burden  
And I want to feel the pain

Do do do do  
Do do do do  
Do do do do  
Do do do do

I want to be the one to  
Who brings a smile to your pretty face  
And I want to be the one to  
Who takes away from that dark and lonely place

Do do do do  
Do do do do  
Do do do do  
Do do do do

(Chorus)

Tell me that this ain't the end, about to lose my best  
friend  
There's got to be another way, wish I could just rewind  
this day  
Tell me that this ain't the end, about to lose my best  
friend  
There's got to be another way, wish I could just rewind  
this day

Do do do do  
Do do do do

Yeah

I want to be the one to  
Who show you that the world belongs to him  
And everything that you see around you  
One day wont be so grim

Do do do do

Do do do do  
Do do do do

I want to be the one to  
Who brings a smile to your pretty face  
And I want to be the one  
Who takes away from that dark and lonely place

(Chorus)

Tell me that this ain't the end, about to lose my best  
friend  
There's got to be another way, wish I could just rewind  
this day  
Tell me that this ain't the end, about to lose my best  
friend  
There's got to be another way, wish I could just rewind  
this day  
Tell me that this ain't the end, about to lose my best  
friend  
There's got to be another way, wish I could just rewind  
this day

Do do do do  
Do do do do  
Do do do do  
Do do do do
