Tomorrow may not come  
So live your life today  
Worlds come undone  
The past has paved way, the hard times have come,  
just keep the faith  
Hard times will come, only to go away

(Chorus)

If tomorrow, never comes  
If tomorrow, never comes

Judgement gonna come, might as well be today  
The promise of the sun, soon will go away  
Hard times have come, were in the end of days  
Hard times will come, only to go away

If tomorrow, never sky will fall, the end of it all, if  
tomorrow, never fathers and sons make peace at once,  
if tomorrow, never

na na na na na na na na only to go away  
na na na na na na na na only to go away

(Chorus)

If tomorrow never, sky will fall the end of it all  
If tomorrow, never  
na na na na na na na na  
If tomorrow  
If tomorrow  
If tomorrow, never comes
