I know a place where the sun seems to shine, I know a
place where my heart
Lies
Show me the way, cause it's been such a long time,
since I've been home to
See the sunrise

I know a place, where the soul feels alright I know a
place, where the pain
Subsides
Show me the way cause it's been such a long time,
since I've been home to
See the sun rise

(Chorus)

It's a long ride home from here
Such a long ride home from here
It's a long ride home from here
Such a long ride home from here

I know a place, where the roads seem to wind, I know a
place where my heart
Lies
Show me the way, cause it's been such a long time
since I've been home to
Watch a sunrise

(Chorus)

It's a long ride home from here
Such a long ride home from here
It's a long ride home from here
Such a long ride home from here

(Solo)

I know a place where the sun seems to shine, I know a
place where my heart
Lies
Show me the way, cause it's been such a long time,
since I've been home to

See the sunrise

(Chorus)

It's a long ride home from here
Such a long ride home from here
It's a long ride home from here
Such a long ride home from here
