In the middle of
Something that I'd rather not say
Just can't get enough
Each time I try
I don't wanna play that game
We got to maintain this thing
I'm never giving up
Never really crossed my mind but
Someday, I'm gonna turn this ugly,
Into something lovely

But the whole time you've been thinking
You've got the best of me, best of me
You've got the best of me, best of me

Now I feel a change
And something could be coming my way,
Just sit back and wait
It's my time to shine,
It's been a few days, but who's counting,
When you're found floating face down in the fountain,
Can't make the same mistakes
Never really crossed my mind but
Someday, I'm gonna turn this ugly,
Into somethig lovely

But the whole time you've been thinking
You've got the best of me, best of me
You've got the best of me, best of me

Maybe all I've ever really wanted was a place to lay my
head,
Mother may I,
Treat the as if I,
Knew all along,
You got the best of me
