As I dreaming I faintly see, ghostly images of you and
me living life, like
We planned to be
I dropped the ball a long time ago, took inventory then I
cleaned my soul
Hand it over, to the man above

(Chorus)

Tell me why
Tell me why
Tell me why
Tell me why

Thinking back now I can't believe, how this evil had a
hold of me living
Life, on the edge you see
I'm better now cause I'm close to you, now my eyes
open up to truth hand it
Over, to the man above

(Chorus)

Tell me why
Tell me why
Tell me why
Tell me why

(Solo)

(Chorus)

Tell me why
Tell me why
Tell me why
Tell me why

Once again I'm stuck inside my dreams, hope
everything is just the way it
Seems living life, like I prey to be
I got the weight of the world on me, and how I carry it is
up to me hand it

Over, to the man above

(Chorus)

Tell me why

Tell me why

Tell me why

Tell me why
