"Eyes Waterfalling"

Let me out to play
Let me find a way to be
Let me feel the sun
Life has just begun for me

Eyes waterfalling, a world full of tears
Eyes waterfalling, but nobody hears

Laughter all around
It's lonely looking down from here
Fuel my shallow pride
And teach me how to hide my fear

Eyes waterfalling, a world full of tears
Eyes waterfalling, but nobody hears

They've got control of my life
I can't break away
They've shaped my destiny
No use the boy in me

I go to join my friend
He'll bring me joy again

Eyes waterfalling, a world full of tears
Eyes waterfalling, but nobody hears

I lost control in the night
And drifted away

Eyes waterfalling, a world full of tears
Eyes waterfalling, but nobody hears
