Win some, lose some  
That's the way I play the hand  
I get no sense in getting sore

It comes easy or it never comes at all  
And I get something off a lesson  
That's a lesson to us all

Call a teacher, let him answer if he can  
What am I gonna do if I can't take it like a man?  
What do they want a boy to do if he's done no wrong?  
The only thing he did was lay his heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

Inside, outside  
Doesn't matter where you're standing  
'Cause you always a marked man

Though a crazy in a lazy kind of way  
If I don't get up this morning  
Well, what difference does it make?

Call a preacher, let him save a drowning man  
How can he ever sleep at night with evil all around?  
So ring a bell for Brother Al, he never did no wrong  
The only thing he did was lay his heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
His heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
His heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

When it's good, it's oh, so good  
When it's bad, it's better  
There is no pain, then there's no gain  
When you stand at the center of it all

So could a healer come on down to this great land?  
I really don't know what to do, I just don't understand  
Let's ring a bell for Brother, man, he never meant no  
harm  
All he had to do was lay his heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
His heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
His heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
His heart out on the line

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

(It's up to me, it's up to me)

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)

(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)  
(It's up to me, it's up to me)
