It seems true love is so rare  
Seems all I've known is deceit  
Your laughter fills the air  
Once more I'm sensing defeat

And I suppose you're leaving me now  
I was so sure now I'm so full of doubt  
And I suppose you'll be leaving this place  
Just like the smile you wiped from my face  
This time

I always gave my best  
Your memory serves you so badly  
Some people kill for less  
Yet I'd still die for you gladly oh, so gladly

But I suppose it's my turn now  
To play a scene that's familiar somehow  
I turn the page and you walk away  
Not even love could bring you to stay  
This time  
Walk away  
You don't need me

Once more I'm learning  
In the depths of my despair  
Your lies confirming  
True love is so rare

And I suppose it's my turn now  
There's no more love only feelings of doubt  
Gone with the hope your words have erased  
Gone with the smile you wiped from my face

Love is a ship we all hope to steer  
Through troubled times cross an ocean of tears  
A midnight sea that swells in your eyes  
Takes just one look to know I'm still mesmerized

But I suppose you're leaving me now  
I was so sure now I'm so full of doubt  
I turn the page and you walk away

Not even love could bring you to stay  
This time

Leaving me now  
Leaving this place  
I watch you walk away with an easy grace
