I'm not proud, I was wrong and the truth is hard to take
I felt sure we had enough but our love went overboard
Lifeboat lies lost at sea I've been trying to reach your
shore
Waves of doubt keep drowning me

All the dreams that we were building
We never fulfilled them
Could be better, should be better
For lessons in love

For restless eyes, egos burn and the mold is hard to
break
Now we've waded in too deep and love is overboard
Heavy hearts taken words all the hopes I ever had
Fade like footprints in the sand

All the homes that we were building
We never lived in
Could be better, should be better
Lessons in love

If we lose the time before us
The future will ignore us
We should use it, we could use it, yeah
Lessons in love
Lost without love

Lessons in love
When will you ever learn
Lessons in love
When there's nowhere left to turn

Lessons in love
Don't let your spirit burn
Lessons in love
I'll wait 'till you return

All the dreams that we were building
(Yeah, yeah, yeah)
We never lived them
We could lose it, we should use it

(Lessons in love)
Lessons in love

All the homes that we were building
We never lived in
Could be better
(Could be better)
Should be better
(Yeah, yeah)
Lessons in love

If we lose the time before us
The future will ignore us
We should use it, we could use it
(Good God)
Lessons in love
