You gone and told me 'bout the Hollywood Hills  
The thrills and chills â€¢ The passion and the pills  
Keep talking

You told me all about the men you met â€¢ The come  
and get â€¢ The kiss that you regret â€¢ Keep talking

You went and told me 'bout the fame in Spain  
The plain in Jane â€¢ The losing it again â€¢ Keep  
talking

You told me all about the sweet sunset â€¢ In love  
and debt â€¢ The one you can't forget â€¢ Keep talking

Now you keep talking in your sleep â€¢ You've had  
it rough â€¢ It went too deep â€¢ I pray the lord your  
soul to keep â€¢ I've heard enough â€¢ I'm in retreat

(You) keep talking me right out of here  
Sleep talking

You went and told me bout the Italian job  
The Pope and God â€¢ Spaghetti and the mob  
Keep talking

And how about the little brokedown shack  
The hack 'n smack â€¢ The scratching Daddy's back  
Keep talking

You gone and told me bout the Broadway hits  
The diva fits â€¢ The lovers and the splits  
Keep talking

You went and told me bout the Paris in the spring  
And the nearly thing â€¢ And the diamond in the ring  
Keep talking

I don't know what I can say â€¢ Cos I can't take it  
away â€¢ I don't know what I can say to you  
Cos you just took it away from me â€¢ Now you keep  
talking in your sleep â€¢ You've had it rough â€¢ It

went  
too deep â€¢ I pray the lord your soul to keep  
I've heard enough â€¢ I'm in retreat

(You) keep talking me right out of here  
Sleep talking

Fell apart in St. Tropez â€¢ That kind of gave the game  
away â€¢ Met the set in Martinique â€¢ Couldn't hack  
the  
chic-to-chic â€¢ New York new walk big town talk  
Your perfect face was white as chalk â€¢ Trailer trash  
to all time smash â€¢ Now you're waiting for the burn  
and crash â€¢ Tragedy in harmony â€¢ You gonna  
bling  
til you're back on your knees â€¢ You gonna sing til  
you're back on your knees â€¢ You gonna ring when  
you're back on your knees â€¢ Tragedy in harmony  
You gonna bling til you're back on your knees  
You gonna sing til you're back on your knees  
You gonna ring when you're back on your knees  
Monte Carlo boom to bust â€¢ Lost the lustre lost the  
trust â€¢ Went to Phuket went to hell â€¢ Had to get  
back into your shell â€¢ LA tripped over your head  
Wanted to jump but you made it instead â€¢ Trailer  
trash to all time smash â€¢ Now you're waiting for  
the burn and crash

A tragedy â€¢ Yeah, yeah, yeah â€¢ Keep talking â€¢  
Sleep  
talking â€¢ Keep talking â€¢ Sleep talking â€¢ Keep  
talking  
Keep talking â€¢ Keep talking
