Now, how can it be

That a love carved out of caring

Fashioned by fate could suffer so hard

>From the games played once too often

But making mistakes is a part of life's imperfection

Born of the years

Is it so wrong to be human after all?

Drawn into the stream of undefined illusion

Those diamond dreams, they can't disguise the truth

That there is something about you, baby, so right

I wouldn't be without you ,baby, tonight

If ever our love was concealed

No-one can say that we didn't feel

A million things and a perfect dream of life

Gone, fragile but free

We remain tender together

If not so in love

And it's not so wrong; we're only human after all

These changing years, they add to your confusion

Oh and you need to hear the time that told the truth

You know, there's something about you, baby, so right

I wouldn't be without you, baby, tonight

Because there's something about you, baby, so right

I couldn't live without you, baby, tonight

(COUNTER MELODY)

Something about you, the way you are, so right

I wouldn't be without you here tonight

There's something about you, the way you are so right

I couldn't live without you here tonight
