When I was an infant in my mother's arms  
I would watch the starlight in her face  
'Cause I was reaching out to understand the cosmic  
charm  
I am just a starchild born in space

Way up high above the sky, all that beauty passes by  
Whole worlds still unknown  
And out beyond the blue, there's a place for people too  
It's time for us to go

I have seen the sun shine bright in paradise  
I have been there, I have seen it

Way up high above the sky, all that beauty passes by  
Whole worlds still unknown  
And out beyond the blue, there's a place for people too  
It's time for us to go

We have time  
(In my dreams)  
Time and space, while we're young  
(Floating free)  
We can chase to the stars

Searching for the magic in the universe  
Guided by the stars that light my way  
I have seen the sun shine bright in paradise  
I am just a starchild born in space
