Are you ready?  
(Yeah, yeah)  
Are you ready to rock?  
(Yeah, yeah)  
Do you wanna do it?  
(Yeah, yeah)  
Get down on it  
(Yeah, yeah, yeah, yeah, yeah)

Marching clock now he don't stop  
Seen it quite a lot and he says  
"Take care of yourself"  
Old man sighs, shuts his eyes  
And leaves behind another life  
Take care of yourself

Millstones swing, grind your thing  
Pay the tax and alimony  
Take care of yourself  
Raise that boy, he'll go far  
'Cos he had no real good teacher  
Take care of yourself

You got  
Huh huh  
You got  
Take care of yourself

Truth don't go, don't go far  
Sell a lie to any paper  
Take care of yourself  
Sleep too deep, zombie sleep  
All alone it has to be  
Take care of yourself, oh yeah

Peace of mind is hard to find  
But he don't mind like you don't mind y'all  
Big T don't care and we don't mind  
I said she don't care and you don't matter  
Yeah, yeah, yeah, yeah, yeah  
You got  
Take care of yourself

One nine nine oh here we go  
May the next ten break the mold  
Take care of yourself  
Mister Good gone away  
Looking out for number one says

Take care of yourself

Did she say you where you have to stay  
When the party's over, hey yeah?  
Can you face the longest march to come?  
Now you know you're not the number one

(Yeah, yeah)  
You feel all right?  
(Yeah, yeah)  
You know it's 'packing in the mind  
(Yeah, yeah)  
But the hero says  
(Yeah, yeah)  
I get blind anyway  
(Yeah, yeah)  
Doesn't matter to me  
(Yeah, yeah)  
Whatever you say  
(Yeah, yeah)  
I got more than yesterday  
(Yeah, yeah, yeah, yeah, yeah)

Marching clock now he don't stop  
Seen it quite a lot and he says  
Take care of yourself  
Old man sighs, shuts his eyes  
And leaves behind another life  
Take care of yourself

Millstones swing, grind your thing  
Pay the tax and alimony  
Take care of yourself  
Raise that boy, he'll go far  
And every weapon know my name is  
Take care of yourself  
Take care of yourself

(Huh, you got)  
You've got to take care of yourself  
(Hey yeah yeah yeah yeah)  
You've got to  
(Baby yeah)  
You've got to take care of yourself

You've got to  
(Ooh ooh)  
You've got to take care of yourself  
You've got to  
(Ooh ooh)
