I was living in a daydream  
Letting time a days my mind  
I didn't know what I was missing  
Till you came into my life

When I saw you pretty girl  
Felt as going inside  
When I kissed you pretty girl  
Felt you lighted up my mind

Boy I'm crying  
I'm on the wings of love  
And I know that  
It comes from junior love

All in hands we walk together  
Nothing's gonna make us fast  
But our love wil lives forever  
If the sun that's in our heart

Making love is also sweet  
We're lost in each others eyes  
And I bought infinity  
That the one turnes to life

Boy I'm flying  
I'm on the wings of love  
And I know that  
It comes from junior love

Now I'm living in a lovedream  
Time and days are passing by  
Now I really know what love is  
I can't help smiling all the time

When you're with me pretty girl  
I feel your warmth by my side  
When you touch me pretty girl  
Brings that joy often high

Boy I'm flying  
I'm on the wings of love

And I know that  
It comes from junior love  
And I know that  
It comes from junior love
