"Wise Man"

In the Autumn wind I remember him
With a common name but he's the only one in this town
Who acts his age when we're all giving in

Once was fun will later be boring
One sun sets another day is dawning

By the fire light when it's late at night
I can hear him hum
Sings the songs of a merry actor
He's a colouring in a book that's been all coloured in

Once was fun will later on be boring
One sun sets another day is dawning

I won't know my friends won't know aaaaaaaah
To the awkward soul
I've lost control aaaaaaaah

He's a colouring in book that's been all coloured in

Once was fun will later on be boring
One sun sets another day is dawning

I won't know, my friends won't know aaaaaaaah
To the awkward soul
I've lost control aaaaaaaah
