What a beautiful day (hey hey)  
I'm the king of all time  
And nothing is impossible  
In my all powerful mind

It was on the fifth of November, when time it went back  
Some say that that's impossible, but you and I we never  
looked back  
And wasn't it incredible, so beautiful and above all  
Just to see the fuse get lit this time  
To light a real bonfire, for all time  
And what a beautiful day (hey hey)  
Im the king of all time  
And nothing is impossible  
In my all powerful mind

I was drinking in my night club  
It felt good to be back  
When Hepburn said I love you  
And Flynn said, make mine a double jack  
Was then we planned the revolution  
To make things better for all time  
And when Guevara said that was crazy  
And ordered up a bottle of wine

And what a beautiful day (hey hey)  
Im the king of all time (it's a beautiful day)  
And nothing is impossible  
In my all powerful mind

And what a beautiful day (hey hey)  
Im the king of all time (it's a beautiful day)  
And nothing is impossible  
In my all powerful mind

In there on the big screen, every night I've seen  
The way all things could be  
For me, for me, for me, for me  
The news broke after midnight,  
That we pulled the temples down without a sound  
But the generals they were hiding out  
The ministers, Well! They'd all gone to ground

Wealth re-distribution, became the new solution  
So I got a paper bag, but you got the one with all the  
holes

And what a beautiful day (hey hey)  
Im the king of all time(it's a beautiful day)  
And nothing is impossible  
In my all powerful mind  
(What a beautiful day) What a beautiful day  
I'm the king of all time (it's a beautiful day)  
And nothing is impossible  
In my all powerful mind  
Oh yea, nothing is impossibe  
In my all powerful mind  
That's because nothing is impossible  
In my own powerful mind
