

Levellers "Come On"

It's an open invitation
Everybody's free to come
Try to solve the situation
The four corners have been undone

And it's no mystery
Just a thin line in the sand
Never fails to frighten me
When you don't understand

Come on, come on, come on

Come and share a smoke with me
We'll try to make a plan
It's all so tense you see
In every nation, every land

And it's no mystery
Man-made clouds block the sun
Never fails to frighten me
These things can't be undone

Come on
Come on and see
Come on and see the love

Come on
Come on and see
Come on and see the love
Come on

Now you hold your breath and wait
To see it turns out in the end
I know it's hard to keep your patience
You know the message has been sent

And it's no mystery
Every nation, every land
Open up your eyes and see
Before it all gets out of hand

Come on

Come on and see
Come on and see the love

Come on
Come on and see
Come on and see the love

Come on
Come on and see
Come on and see the love

Come on
Come on and see
Come on and see the love

Come on, come on and see
Come on and see the love
Come on, come on and see
Come on and see the love

Come on, come on, come on and see
Come on and see the love
Come on, come on, come on and see
Come on and see the love
Come on
