She's the queen of my life
Everyday it seems a miracle
She's the love of my life
Every time she lights the candle
She turns and says to me

Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?

Maybe this time's not over again
Maybe this time's not over again
Maybe this time

We make the most of our time
What's here today is ours tomorrow
There's a fire in her eyes
She breaks the chain and frees the animal
Turns and says to me

Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?

She holds the keys to my mind
She stole my heart, still seems incredible
When she's near, it's alright
When everything just seems impossible
She turns and says to me

Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?
Can we do it again tomorrow?

Maybe this time's not over again
Maybe this time's not over again
Maybe this time's not over again
